THIS IS UNEVALUATED INFORMATION

On 8 May 1955, the new merchant ship 33 PETROPAVLOVSK (second name not visible), was seen entering Danzig harbor. It was believed that she returned from a shakedown run. The SS PETROPAVLOVSK had a deadweight capacity of about 4,000 tons, four cargo hatches and seemed to be suited mainly for carrying lumber. She already carried her Soviet smokestack mark, although she still carried the Polish flag aft.
